2. Bach Roots Festival’s Emerging Artist program strives to serve singers who identify socio-culturally as historically excluded in the field of classical music. We recognize that many identities and demographics have historically been excluded. You are invited to share your perspective on how your own identity and the field of classical music intersect. If you have experienced exclusion, you are also invited to share your story here:

3. Please include a vocal resume or C.V. that outlines your education, vocal training, solo performing experience, choral performing experience, and any vocal awards won.

4. Please include a link to 1-2 video recordings of you singing an aria or art song. We prefer something from the Baroque, Classical, or Renaissance eras, but are pleased to receive anything that you share.

5. Please list the name, email address, and phone number for two individuals who affirm and encourage you. (These people may or may not be musicians, teachers, singers, conductors, mentors, etc.)
